---

### ENTRANCE REQUIREMENTS

All candidates for admission to the Junior College must present to the president at the time of registration or before a certified copy of High School or Academy credits. Students may conditionally matriculate in the Junior College on fourteen acceptable units of High School credit, and may matriculate without condition on fifteen units. Students who matriculate on fourteen units must remove their deficiency during the first school year. Specific requirements for entrance are the same as those prescribed by the Iowa State Board on Secondary School Relations. For further information inquire of the president.

---

### EXPENSES

Out-of-town students who must secure board and room in Orange City will find the rates very reasonable. The estimates cost for board and room for the entire school year is from \$175 to \$200. A list of available rooms and boarding places may be secured from the president. The cost of tuition is as follows:

#### College Tuition per semester

Ten to sixteen hours -----	\$50.00
Fewer than ten hours, per hour -----	5.00
Chemistry laboratory fee -----	6.00
Chemistry breakage fee -----	2.00

#### Academy incidental fee ----- \$12.50

Academy Physics lab. fee -----	2.00
For cost of Theoretical and practical music instruction inquire of president.	

Tuition payable at the beginning of each Semester.

## STANDING

The Northwestern Junior College will rank as a fully accredited Junior College, meeting all the standards set by the state and other accrediting agencies. Its faculty, plant, equipment, and curriculum meet in every way the new higher standard set by these accrediting agencies.

## COURSES

A wide selection of courses is offered by the Junior College. The two courses required of all students are Bible and Rhetoric. All the other courses are elective, but the student should consult with members of the faculty before selecting his course.

Students desiring to take the Two Year Normal Course should take Psychology and American Government the first year. This course leads to the Third Grade State Certificate which will be granted by the Educational Board of Examiners upon its completion. The complete course will be introduced in accordance with the standard set by this Board.
