Dear folks;  
Just a few lines to let you folks know I am getting along okay. Have been rather busy so haven't had time to do much writing. We are having plenty of cold weather and snow - regular Iowa winter weathers. Have a nice heavy cold which keeps me feeling junk most of the time.

12 January 45

Received several more Christmas cards today but no letters. Your box of cigars came too and they really are a good cigar, so thanks a lot Dad. Thanks too for the candy bars and Almond bars - the tent box came through in excellent shape. I hope these few lines reach you all in fine health. Things could be much worse here so ain't too bad off here.
