Mrs. H. England
Northwestern College
Orange City, Iowa

Dear Mrs. England:

The Choral Readers of Northwestern thrilled our audience last evening with an unusual degree of finesse in an old, wonderful art. Our student body is still reverberating from the outstanding performance. Please convey this message of gratitude and appreciation to your fine group of students.

Your visit to our campus will stimulate the thinking of those concerned toward a cultural exchange program. I assure you that my colleagues in the fine arts areas were most impressed with the performance and seem quite receptive to a greater development of the exchange program idea.

Concordia, once more, thanks you for the visit. The experience was most rewarding.

Sincerely,

Paul A. Walwick
