Dear Mrs. England,

Just a short note to send you greetings. I noticed the list of places your choral reading would take you this year and it sounded very exciting.

I think of my year in choral reading often. It was a very rewarding experience for me.

We now live in a suburb of Minneapolis. Bruce is a CPA. We have an adopted boy who is 29 months and then a boy of our own came. He is 20 months old so I'm real busy with them.

As Ever,

Deanna Ihle Grier
