Dear Friends:

It was a real pleasure to have the Northwestern Choral Readers call at my office during their recent trip to Washington, D. C. I was much impressed with this fine group of young people, and I sincerely hope that you may have had a most wonderful tour.

I enclose herewith two copies of each of the pictures taken of the group while you were in Washington. I have also sent copies of these pictures to President Stegenga of Northwestern College, together with extra copies which he may want to use in future college publications.

With warmest personal regards and best wishes to both of you, I am

Sincerely yours,
