Dear Dr. England,

I think back on my college years and the great influence you had on my life. I wonder how many students were searching for a talent or self-confidence in themselves and found it by your efforts.

The Lord has a plan for each of us and people, circumstances, and places determine the course of the plan. I believe God's Plan for you was to glorify Him through the selections you chose to perform and to leave an imprint on the lives of the performers.

"For This He Came" had such a lasting imprint on my life. Also the fact that

any problems (large or small) you would sit down with us and listen.

Mrs. "E" (you were always Mrs. "E"), I would like to extend my heartiest congratulations to you for a job well done.

With Love,

Janice L. Karver (Mrs. Dave)
