My dear Dr. England,

It is impossible for me to adequately put into writing my gratitude to you. Dr. England, you have broadened my aesthetic values so much, not to mention all the fun that went with it. I wish to retract the word "fun" when I recall those 6:30 A.M. practices or the instances when we were to meet at 5:30 A.M. on tour! I hope that you realize that I'm only joking about those early hours because it was all well worth it. I'm looking forward to traveling with you this summer.

In conclusion, thank you for your dedicated years at Northwestern College, for you truly proclaimed and served Christ, the Risen Lord.

I wish you the best of everything.

Sincerely,
Sue Schutte
