Dear cousin:- The classis of Iowa, I have noted, will hold its regular Spring session of Classis on the 14 th of April. I would, therefore, like to take this opportunity to make request for examination for licensure. I would prefer to take this examination as soon **as** possible after the close of school, preferably the following week, that would make it the 19 th or the 20 th of May. This will require a special meeting of Classis, and so if another date would be more agreeable to the classis I will try to make arrangements accordingly, I only mentioned these dates as my preference.

When arrangements are made would you please let me know who the examiners will be, so that I may find out from them a little as to what they expect in some of the branches.

I remain very sincerely yours,

Jacob Helmstra.
